

Ampoule of intensive care

Specially designed for the most demanding skincare needs:
HYDRATION, ANTIAGE, GLOW, EVEN SKIN TONE, NIGHT REPAIR, TIRED EYES.

The combination of **vitamins A,C,D,E**, **natural extracts** and **active ingredients** ensures the intensive and targeted skincare.

Vitamins A, C, D, E

Dermatologically & Clinically Tested

For all skin types

6 ampoule-1 ampoule for every skin need

Instant results in 1 move

18x2ml
1x2ml

Hydrate, Plump fines lines and
wrinkle

HELENVITA HYDRATION AMPOULE

1x2ml

Ampoule of intensive care that instantly hydrates the skin. It plumps up wrinkles from within and increases skin elasticity.

The Result: Skin feels more revitalized, fine lines are smoothed and wrinkles are plumped up.

Ingredients & Benefits:

- **White Lupin extract**, promotes collagen production, providing elasticity and firmness to the skin.
- **Vitamin E**, rich in antioxidants, protects against premature aging.

Firm, Lift and Smooth fine lines & wrinkles

HELENVITA LIFTING AMPOULE

1x2ml

Ampoule of intensive care that firms the skin. It redefines the appearance of face contour and plumps up skin.

The Result: The skin looks firmer and refreshed with a more youthful look.

Ingredients & Benefits:

- **A complex of Carnosine and Milk thistle extract**, boosts skin elasticity while firming, tightening and hydrating skin.
- **Alfa alfa beans, rich in Vitamin A**, stimulates collagen production, reducing fine lines and wrinkles.
- **Hyaluronic acid and Papaya extract**, provide deep hydration and antioxidant protection, keeping skin elastic and firm.

Radiance, Rejuvenation

HELENVITA INSTANT GLOW AMPOULE

1x2ml

Ampoule of intensive care that revitalizes and instantly brightens the dull skin. It enhances skin's natural radiance and restores healthy look.

The Result: Skin gets a radiant and healthy look.

Ingredients & Benefits:

- **Coenzyme Q10**, enhances cell renewal by preventing signs of aging
- **Vitamin C**, effectively protects against free radicals, enhancing skin radiance.

Reduces blemishes and spots,
antioxidant action

HELENVITA **ANTI SPOT** AMPOULE

1x2ml

Ampoule of intensive care with targeted action against skin discolorations. It helps reduce dark spots and boosts skin radiance.

The Result: Skin gets an even tone and stays radiant.

Ingredients & Benefits:

- **Rumex occidentalis and Brassicaceae extracts**, prevent the formation of dark spots, while at the same time improve existing uneven skin tone.
- **Vitamin C**, increases skin radiance, reduces hyperpigmentation and blotchy skin induced by age and UV exposure, while prevents premature aging.

Overnight recovery & regeneration

HELENVITA NIGHT REPAIR AMPOULE

1x2ml

Ampoule of intensive care that repairs and revitalizes skin during the night. It activates skin's own natural renewal system during nighttime.

The Result: The skin is revitalized, refreshed and radiant.

Ingredients & Benefits:

- **Centella asiatica extract**, known for its soothing actions, improves skin complexion and boosts firmness.
- **Hyaluronic Acid**, replenishes skin's moisture levels and keeps it hydrated
- **Vitamin D** promotes cell regeneration, repairing skin damage during the day.

Wide awake, refreshed eye look

HELENVITA EYE REPAIR AMPOULE

1x2ml

Ampoule of intensive care that acts against tired eyes, puffiness and fine lines.

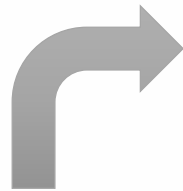

The Result: The eye area looks refreshed and more relaxed.

Ingredients & Benefits:

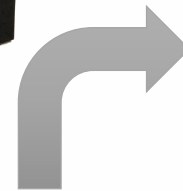

- The active mixture of green tea and oak tree acts against dark circles, by improving microcirculation in the area around the eyes. It helps restore radiance to tired looking eyes, reducing puffiness and dull face.
- The combination of Hyaluronic Acid, Silanol and Hydroxiprolin, replaces skin collagen, filling in fine lines around the eyes.

Box 18pcs. x 2ml

Display stand 108 pcs.

Droppers box 10pcs.
