Pharmaceutical  
Products Brochure

SEP Trade's mission is to be your Trusted Medical Trade Partner. Our team has over 20 years of combined experience in Trade, Operations and IT.

We are a UAE DED licensed company for sterilizers, disinfectants, masks, gloves, pharmaceutical products, cosmetics and other healthcare products.

With a large variety of trade products, we ensure our customers get our whole focus on what is currently in high demand.

PHARMEX SA, with a prominent course of 40 years in the field of dermatological and cosmetic products, maintains long standing partnerships, as the exclusive importer of foreign brands. It has developed product lines of high quality cosmetic care, that satisfy even the most demanding consumer, as well as Health professionals, Pharmacists and Dermatologists, who know exactly what results they desire.

The implementation of a dynamic and well staffed business model ensures the success of the company's activities. Through partnerships with multinational corporations in the medical-pharmaceutical field and with producers of global reach, PHARMEX SA drives the research and development of innovative products.
